Instructions: After reading the acceptable use policy and regulations, please read and complete the appropriate portions of the following contract completely and legibly. Please return this contract to the District Office.

Staff Section

I have read the District Acceptable Use policy. I understand that my access to the Internet and to the school computer network is designed for educational purposes and I also recognize that it is impossible to restrict access to all controversial materials.

Therefore, I release the school district, its personnel and any other institution with which it is affiliated, from any and all claims or damages of any nature arising from my use of, or inability to use, the District system, including, but not limited to claims that may arise from the unauthorized use of the system to purchase products or services.

I further agree to release the school district, its personnel and any other institution with which it is affiliated, from any and all claims or damages of any nature arising from my use of the Internet outside of school.

Contract for Staff

I have read the Acceptable Use Policy (AUP). I understand and will abide by the terms, conditions and guidelines it contains. I further understand that any violation of the AUP is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked; disciplinary and/or appropriate legal action may be taken.
